URGENT REQUIREMENT

The Association urgently needs a General Secretary following the resignation of Michael Church, due to personal commitments, which make it impossible to continue.

The Association has been in existence for over 80 years and currently provides a very vibrant Season Long Competition for various Categories.

The position is not onerous and the only need is to monitor the general day to day matters and enquires of the Association including meetings (of which there are 3 or 4 a year), as the majority of the Associations activities are covered by the Racing Secretary, Points Recorder and Treasurer.

It is important that this position is filled at the Annual General Meeting in December for the Association to continue to function.
